

## **U16 Elite Camp**

### **AMSTERDAM**

Most good, young, American hockey athletes are used to *playing-up* with older kids. That will not be the case in Holland where the U16 Elite Camp takes place. The hockey experience there is extremely challenging for both U.S. and international U16's. At this camp, you will be *playing-up*.

You will have to go-all-out to match the level of play of your European peers. The speed and ability will far exceed what you are used to here at home.

#### **Who is this U16 Elite program designed for?**

- You are Motivated to Grow Your Game
- You are Driven to Test & Push Your Limits
- You are Seek Fast & Aggressive Hockey
- You must intend to play in college.

#### **QUALIFICATIONS ARE NEEDED:**

The U16 Elite Camp requires you to meet a minimum level of accomplishment. This includes being either a a USFHA National Futures Tournament/Championship selection (not to be mistaken for Club Championship participant) - or have minimum 2-years playing with a rated club - or having been a EuroTour Alumnae - or a World Camp USA Elite selection. If you don't meet these qualifications, and believe this is the program you should attend, then we will consider a **STRONG** recommendation by your Club Coach.

There are two reasons for these qualifications. First, we have been directed by our Dutch partner to make sure we do not dilute the level of the camp with field players who cannot perform to the camp standard. Second, we do not want our U.S, athletes to be overwhelmed by this camp experience, possibly creating a lack of self-esteem or confidence. Our goal is to excel and accelerate your game.

U16 Elite Camp is exactly what it name implies. It is for those players who are the tops on their team, showing true potential at a young age. Not every good player is demonstrating at this time in their life; for them we have other programs in Europe that can fit their style and current ability, while pushing their limits and taking them to their next level.

**GOALIES:** the U16 Drijver Goalie Academy runs concurrent with the Elite field player camp.

Please contact Tori with any questions about this extraordinary Elite camp.
