

## **U19 Elite Camp**

AMSTERDAM

The best training and the best competition a U.S. U19 athlete can attain. Here hockey is extremely challenging. Be prepared.

You will have to go-all-out to match the level of play of your European peers. The speed and ability will far exceed what you are used to at Festival, NFC or NCC's. Hockey here cannot be duplicated in the USA.

### **Who is this U19 Elite program designed for?**

- You are Driven to Test & Push Your Limits
- You want to be the best player you can be
- You *will* play in college.

### **QUALIFICATIONS ARE NEEDED:**

The U19 Elite Camp requires you to meet a minimum criterion of accomplishment. We have been directed by our Dutch partner to make sure we do not dilute the level of the camp with field players who cannot perform to the camp standard.

Qualifications include:

- You are a USFHA National Futures Tournament/Championship selection (not to be mistaken for Club Championship team participant)
- or Committed to a Collegiate program
- or EuroTour Alumnae
- or World Camp USA Elite Selection
- or a **STRONG** recommendation by your Club Coach

The Elite Camp is exactly what its name implies. It is for those players who are the tops on their team.

You'll join in daily tournaments, playing with, and against, over 100 other European athletes who hail from all over globe. You'll learn as much from them as you will from the top coaches. Imagine what it will be like to play with, and against, your European peers. Co-ed games with players who have held a stick before the age of six. Live, train and play at camp for 6-full days, three sessions per day. Hockey, Hockey, Hockey!

**GOALIES:** the U19 Drijver Goalie Academy runs concurrent with the Elite field player camp.
